

Charging Kit for Samsung K5 or T9

Charge your Samsung K5 or T9 from a wall outlet or car

Samsung
K5

Samsung
T9

Works with:

Samsung K5

Samsung T9

The Charging Kit for Samsung K5 and T9 provides unlimited power whenever you need it, through an AC outlet or car cigarette-lighter port. This innovative solution includes an extra USB cable that allows you to conveniently position your Samsung player when used with the AC or cigarette-lighter adapter.

The extra USB cable also allows you to sync your Samsung K5 and T9 while charging from a powered USB port on your computer. The AC adapter's folding plugs and cigarette-lighter adapter's compact size keep the Charging Kit mobile and easy to use.

Benefits

- Powers your K5 or T9 through an AC wall outlet, car cigarette lighter, or powered USB port
- Connects, powers, and syncs through any powered USB port
- Includes USB cable
- Charges your K5 or T9 from your car's cigarette-lighter port
- Features AC adapter with folding plugs to power and charge your K5 or T9 from any wall outlet
- Comes with a Belkin Lifetime Warranty

F8M022au
