

Simply Organised!

With the PT-80 it's quick and simple to label anything around the home and home office. DVD's and photo albums that hold your fondest memories and pictures need never be lost or misplaced again. Children will have fun labelling their school belongings - exercise books, pencil cases, rulers & lunchboxes. And with a wide range of symbols and frames, why not create your own unique labels to personalise gift tags and cards?

With the P-touch 80, labelling possibilities are endless!

With the automatic Time and Date feature you can instantly and easily print labels for situations requiring the time and or date. Great for food storage archiving or filing

Electronic Labeller

Brother | P-touch 80

3M
TAPE

Always at your side

Get organised with the P-touch 80 from Brother.

The PT-80, with its ergonomic design and stylish looks, is just what's needed to organise your home and home office.

It's lightweight, easy to use and compact enough to be handheld or used on a desk top. It can print labels with two lines and has a large LCD display, making it easy to preview your label before printing. The many special features include icons, symbols, frames and lots of useful characters for adding that personal touch to your label. From food containers to files and CD's this labeller is the best way to keep everything tidy and organised in the home.
