Crisp text and graphics and a space-saving, stylish design bring the best of all worlds to the SyncMaster 170N LCD monitor. Its 17" flat panel display offers distortion-free images. A 450:1 contrast ratio adds incredible richness and detail. And a 150° horizontal viewing angle makes it easy for more than one person at a time to see that beautiful picture. Whether it's in the office or at home, the 170N is an affordable way to enjoy the benefits of Samsung technology.
